Description

The Carthago C-Tourer T 145 H on Fiat Ducato 35 Light chassis is a premium motorhome that combines comfort, reliability, and excellent equipment, making it ideal for both relaxed holidays and long-distance travel. This vehicle has been carefully maintained and stored in a garage all year round, ensuring it remains in excellent condition. It comes with a recently replaced timing belt and water pump, offering additional peace of mind for the next owner. Designed for comfort and independence, the motorhome is equipped with a powerful Truma Combi 6 heating system, enhanced by two additional 900W electric heating elements, as well as a Sirocco 3 kW warm air heat exchanger. The Dometic 230V roof air conditioning ensures a pleasant interior climate in all seasons. For off-grid capability, the vehicle features a 230W solar system and a 120Ah lithium-ion leisure battery, providing reliable and efficient energy supply wherever you travel. The spacious storage solutions include a large rear garage with shelving system, a bicycle rack, and an additional scooter carrier. A reinforced tow hitch (up to 150 kg) further

increases versatility. Inside, the motorhome offers a high level of comfort with a Media Package and Comfort Package, satellite system, 19" LED TV, and an additional TV connection. A rear-view camera adds convenience and safety when maneuvering. Additional highlights include: Goldschmitt rear air suspension for improved driving comfort Outdoor shower with hot and cold water Truma DuoControl with crash sensor for enhanced safety Spacious storage and practical layout throughout This Carthago C-Tourer T 145 H is fully equipped, very well maintained, and ready to travel — offering everything needed for comfortable and independent adventures.
