Description

The Mercedes-Benz Sprinter 4x4 (2022) with 190 HP and 9G-Tronic automatic transmission is a premium, high-quality camper that perfectly combines off-road capability, comfort, and full independence. With its compact length of just 6 meters, it offers a surprisingly spacious and open interior, designed ideally for two people. The extendable bed (up to 1.90 m) ensures excellent sleeping comfort, while the smart layout provides plenty of storage space for everyday travel. The interior build stands out with high-quality materials and solid craftsmanship. The living area is finished with felt lining, a durable PVC floor, and a real wood kitchen countertop. The kitchen is equipped with a household-quality sink and faucet. A key highlight is the spacious bathroom with a separate shower (standing height 182 cm), foldable washbasin, and an integrated composting toilet (BIOTOI) with ventilation system. Vehicle & Base: 190 HP / 140 kW diesel engine 9G-Tronic automatic transmission 4x4 all-wheel drive 90L fuel tank Registered

at 3.5t (upgradeable to 4.1t) High-spec Mercedes-Benz base (Type 419) Interior & Comfort: Swivel driver and passenger seats with foldable table Open space concept with 188 cm standing height Large rear garage (110 x 100 x 100 cm) Overhead cockpit storage Extendable power outlet strip Electrical System & Autonomy: 400 Ah LiFePO4 battery (2 x 200 Ah) Victron Multiplus 3000 inverter/charger Victron & TBB charging boosters Multiple 230V, 12V, and USB outlets 62L compressor fridge Internal shore power connection (no body drilling) Heating & Insulation: Factory MB hot water heating (Webasto), controllable via display/app MB auxiliary air heater (Eberspächer) Additional Autotherm 2D heater High-quality full insulation (Armaflex XG) Water System: 100L fresh water tank (internal) 60L grey water tank (heated & insulated) 12V hot water boiler (Elgena) Internal water supply system Exterior Equipment: Aluminum roof rack Additional LED driving lights (Lightpartz & Osram Lightbar) 360° work lights FIAMMA F45s awning MaxxFan Deluxe + additional roof vent in bathroom 5G antenna 17" Braid wheels with BF Goodrich tires Spare wheel carrier (Oryx Solutions) Rear carrier system for accessories Extras: 4 winter wheels (original MB, almost new) Cockpit insulation mats Partial wrapping This vehicle is in excellent condition and offers a rare combination of off-road capability, premium build quality, and full travel independence.
