## Description

This Carthago Chic E-Line I49 Yachting is a true luxury motorhome, designed for discerning travelers who value comfort, quality, and independence. Built on the robust Fiat Ducato AL-KO heavy-duty chassis, it combines outstanding driving stability with refined living space and top-tier craftsmanship. Powered by a reliable 2.3L diesel engine with 148 HP, this motorhome delivers smooth and efficient performance, with an average consumption of 10-12 L/100 km. With a total length of 7.39 m, it offers generous interior space while remaining easy to handle on long journeys. Inside, the layout is thoughtfully designed for 4 travel seats and 4 sleeping places, including: A spacious rear double bed A comfortable drop-down bed (Hubbett) A luxurious full bathroom (Raumbad) The interior reflects Carthago’s premium “Yachting” style, featuring high-gloss cream kitchen fronts, partial leather upholstery, and a warm, elegant living atmosphere enhanced by soft carpeting and refined finishes. This motorhome is exceptionally well equipped for long-term and autonomous travel, including: Comfort & Living: Alde hot water

heating system (gas & electric) Large panoramic skylight (Heki III) 4.5 m roof awning Nespresso coffee machine integrated into the kitchen 160L AES refrigerator Exterior shower (hot & cold) Technology & Electrical System: 600W solar panel system Second leisure battery 1800W inverter (12V to 230V) Multiple 230V and 12V outlets Advanced lighting and energy management Driving & Safety: Cruise control Automatic cab air conditioning Driver & passenger airbags Central locking system with remote control High-performance suspension with AL-KO level control Multimedia & Connectivity: Zenec navigation system Radio/DVD system Oyster satellite system with 22" HD TV Additional TV connection in sleeping area Exterior & Practical Features: Large rear garage with upgraded storage system Motorcycle carrier system (Sawiko) Tow hitch with 1,780 kg towing capacity Hydraulic leveling system Aluminum wheels + additional winter wheels Additional highlights include: Double floor storage system (40 cm) Heated living space using engine heat exchanger Gas system with crash sensor (Truma DuoControl) SOG toilet ventilation system This Carthago offers a rare opportunity to own a fully equipped, luxury liner-class motorhome with extensive upgrades—perfect for comfortable long-distance travel or full-time living. Viewings and test drives are available upon request.
