Description

The Carthago Malibu 600 DB is a premium campervan designed for comfort, independence, and high-end travel. With its powerful 185 HP engine and smooth 6-speed automatic transmission, it offers an excellent driving experience combined with efficiency and reliability. This vehicle is exceptionally well-equipped and maintained, featuring rear air suspension (dual-circuit) for enhanced driving comfort and stability, as well as a 230V roof air conditioning system for optimal climate control. Built for true off-grid capability, it comes with a 200Ah LIONTRON lithium battery with app monitoring, a 2.5 kW inverter, and a high-performance monocrystalline solar panel. The large 120L diesel tank provides an impressive range of up to 1,200–1,300 km, with an average consumption of just 9L/100 km. The interior is both practical and comfortable, offering swivel seats, a 75L refrigerator with freezer (operating on 230V, 12V, inverter, or gas), and a complete living setup including table, chairs, and cooking equipment. The vehicle is delivered fully equipped and ready to travel. Additional highlights include: 29" TV with automatic satellite antenna Fiamma 4m awning Rear double slide-out storage system (fits 8–12 Euroboxes)

Motorcycle rear carrier (removable and adjustable) 2x e-bike / mountain bike rack system Outdoor shower with hot and cold water Tow hitch included LED lighting system (front and rear) Thermal insulation package (window covers, curtains, custom carpets) The camper also features a spacious 90L waste water tank, dual lightweight composite gas bottles, and an additional Thetford toilet cassette for extended autonomy. Garage-kept and carefully maintained, this Carthago Malibu 600 DB is in excellent condition and fully prepared for its next adventure.
